

Primary School

Friday 3rd July 2026

What a truly lovely week it has been in school. There is a real sense of excitement building as we prepare for our end-of-term events — Sports Day, the Summer Concert, and our Year 6 Production. The children have been practising with enthusiasm, and staff are working hard behind the scenes to make each event special.

With temperatures set to rise again this week, please ensure your child comes to school with a water bottle, sun hat, and suncream applied before arriving. We will be monitoring the weather closely and will make any necessary adjustments to Sports Day to keep everyone safe and comfortable.

This weekend's Gosfield Fete was a real success and such a joy to be part of. Many members of the village commented on how lovely it was to have the school involved, and how much they enjoyed seeing the children taking part. A heartfelt thank you to all the parents and children who supported the procession, the choir performance, and our school stall. Your involvement helped make the day truly special.

We are really looking forward to the final two weeks of term and all the special moments still to come, especially as our Year 6 pupils make lasting memories to carry with them into their next chapter.

Raising expectations by fostering a culture of respect, empathy and high aspiration for every child.

SPORTS DAY

Thank you to everyone who submitted the names of spectators by Friday. This is essential so that we can generate accurate entry lists for safeguarding reasons, and we really appreciate your support with this. Parents and carers will be able to enter from 9:00am via the side gates, heading straight onto the field.

Please feel free to bring picnic blankets, chairs and a picnic lunch to enjoy throughout the day. A gentle reminder that there is strictly no alcohol, and no vaping or smoking permitted anywhere on school premises. With the warmer weather expected, please ensure children arrive with water bottles, sunhats and sunscreen applied, and we will continue to monitor conditions closely in case any adjustments to the day are needed.

If anyone has a gazebo, they would be willing to lend us, we would be extremely grateful. Please bring it in by Wednesday, as this will allow us time to assemble them ahead of Sports Day. We are also welcoming cake donations, and kindly ask that these are accompanied by a clear list of ingredients to display alongside each cake. We will be operating an honesty box system, and all contributions are very gratefully received.

We are really looking forward to this wonderful occasion. It has been lovely to watch the children encouraging one another during practices- a true sign of sportsmanship - and we hope you will join us in cheering on all children throughout the day.

Outline of the Day

- Whole-school warm-up on the playground
- Carousel of activities in house teams
- After break: ball games in houses and fun races
- After lunch: traditional sprint races and the whole-school relay
- To finish: our Colour Run, organised by the FROGS

ART COMPETITION

Thank you to all the children who took part in our Attain World Cup Art Competition- your creativity has shone through in every piece. Miss Williamson has been working hard to submit all of your wonderful entries to the portal, and we have been genuinely impressed not only by the number of submissions but by the exceptionally high standard of artwork. You really are a talented and imaginative group of children (and parents!), and we are so proud of you.

FOOTBALL LUNCHES

A huge thank you to Mrs Appleby for all of our exciting World Cup-themed lunches- the children have absolutely loved trying different foods linked to the tournament, and it has brought such a fun buzz to lunchtimes. Please note that next week's themed lunch will take place on Friday rather than Thursday due to Sports Day.

BREAKFAST CLUB

We are pleased to announce that Breakfast Club will be launching from September, initially running on Tuesday, Wednesday and Thursday from 7:30am, priced at £4.50 per session. Places will need to be booked on Arbor by 1:30pm the day before. Children attending will enjoy a healthy breakfast and a range of calm, engaging activities to start their day positively.

CLUBS

This will be the last week of clubs, with football continuing as the only club running, and no dodgeball due to preparations for the Summer Concert.

WRAP AROUND CARE

We are excited to share that Primary Education will be leading our wraparound care from September, bringing a high-quality, well-structured offer to support families before and after school. Attached to this email, you will find their presentation outlining the company, their approach, and the provision they offer, along with a digital copy of the sign-up flyer for those wishing to register.

WEEKLY ATTENDANCE

Class 1	98.7%
Class 2	99.3%
Class 3	82.7%
Class 4	93.6%
Class 5	92%
Whole School	93.4%

Class	RAISE award	Mathematician of the week	Writer of the week
Class 1	Matilda Lasslett	Isla Collins	Finley Balcombe
Class 2	Anna Leach	Isabel Drane	Tommy Allen
Class 3	Ophelia Holman	Frankie Boreham	Sophia May
Class 4	Jamie Stewart	Phoebe Drizen	Frankie Farrow
Class 5	Ellie Parker-Smith	Skye Borghys-Ansah	

HOUSE POINTS

We are not collecting weekly house points at the moment, as the children have decided that they would like to save all of their points for a big end-of-term reveal. This has created a real sense of excitement across the school, and we are looking forward to celebrating the final totals together as part of a special whole-school celebration.

UPCOMING DATES

Sports Day (all day)- Thursday 9th July

Toddler Club- Friday 10th July

Reports home to parents- Friday 10th July

Summer Concert- Tuesday 14th July at 2.30

Raising expectations by fostering a culture of respect, empathy and high aspiration for every child.

PRIMARY EDUCATION

**At Primary Education, our philosophy is simple:
remove the perceived guilt from childcare.**

We understand that balancing work and family life isn't always easy. That's why our after-school clubs provide a safe, welcoming environment where children can relax, play, learn, and spend time with friends once the school day ends.

Our experienced team delivers engaging activities that keep children happy, active, and inspired, giving parents the confidence that their child is being well cared for until collection.

We also help make childcare more affordable. As part of the Government's Tax-Free Childcare scheme, eligible families receive an extra £2 from the government for every £8 they contribute, helping to reduce the cost of after-school care. At Primary Education, we're here to give children a great end to their school day and parents complete peace of mind.
